

1. Translate the following text **into Arabic**.

Hello, I am Sarah from Libya. I would like to be a (female) firefighter as I like driving a fire engine. Although this job is dangerous, it pays well, and it is my dream job.

My parents think it is an inappropriate profession for a girl, but I disagree with them. My (female) teacher at school told me that I could work in any job I wanted; The important thing is that I like it.

2. Before starting Activity 8, think about how you will describe the school exchange day.
