<p>How wonderful, Bushra! It looks like you had a good time there! Actually, I don't like going to festivals; The place is usually left littered with trash. Also, some people are injured as a result of pushing to meet a famous personality. The area also suffers from chaos because of the crowding. Don't forget that entrance tickets are expensive, so not everyone can participate. A large number of people are also allowed in a tight place, sometimes. However, you raised my curiosity about visiting the Rose Festival!</p>
