

Pre task

work in pairs

- With a partner, sit down back-to-back.
- **First person:** you have only one minute to describe **image 1** in detail to your partner. Your partner should listen carefully and draw all the details in colour.
- **Second person:** you have only one minute to describe **image 2** in detail to your partner. Your partner should listen carefully and draw all the details in colour.
- Now, compare the two images with the original photo.

Note:

- 1. use the sentence builder and the book to help you describe the details on your image.*
- 2. when speaking, use expressions like, on the right/ left, there is/are ..., the sky looks like..., etc.*
