

Work in groups of four to six. Follow the instructions.

1. In your group, divide into two debating teams: Team A and Team B.
2. Team A is for boxing and Team B is against it.
3. Work in your teams. Use keywords and expressions from exercise 5 to prepare notes and opinions, and add your own ideas.
4. Decide who will present each side of the argument.
5. Present the debate to the class.
