

Work in pairs

1. How do you say the following **in Arabic**?

The more / most important thing is

The important thing is

The 'not important' thing is

1. Check that your partner knows how each of the above statements sound by saying them clearly and ask him/her to tell you the meaning.

2. Revise the '**vocabulary list**' and '**sentence builder**'

- Spend **10 minutes** to review the content of the **vocabulary list**.
- Spend **15 minutes** using the **sentence builder**. The first learner reads aloud a sentence in Arabic, and the second learner translates it into English. Then switch roles.
