

Answers	
1	the author was asking about the servant
2	because the servant had left him (he left altogether)
3	big and black and sunken under his eyebrows
4	flecked or speckled, because his face had chickenpox marks
5	No. He says the servant can speak several languages
6	No. Because he refuses to answer any questions, also he rarely spoke
7	he sat on his own on a chair, and stared at the ground for a long time
8	because when the servant stared, his eyes were fixed as if they were made of glass.
