

Help your friend in Ireland to translate the attached sentences.

** Refer to the grammar box to help you translate (in order to) and use varied expressions.*

In my opinion, the internet has many benefits as it makes life a lot easier, yet it has disadvantages and dangers. I think the best thing about it is that you can use it (in order) to communicate with your friends constantly.

My brother used it yesterday (in order) to search for information to complete his homework (schoolwork), and it was very useful.

He will use it more in the future (in order) to watch movies as it's available free of charge.

Handwriting practice area with 15 horizontal dotted lines for writing the translation.
