

	Title	Shahd's details	Riyadh's details
1	Type of school	It is a mixed state secondary school, and we generally enjoy the school day.	It is a private boarding school for boys in south London, and he has many close friends there.
2	Number of students and teachers	There are more than eight hundred and sixty students in the school and about seventy teachers. They are mostly very nice and helpful, but the headteacher is very strict!	The school contains more than a thousand students and about sixty teachers. Some teachers are not friendly. As for the school headmistress, he likes her very much because she has a sense of humour.
3	School time	School starts at 8:00 am and ends at 2:30 pm. After school, she does her homework or plays with her friends.	The school day starts at 9:15 am and ends at 4:00 pm. He thinks the school day is long and tiring.
4	School building and facilities	The school is very modern and well equipped. There is a big playground. During the break, you can chat with friends or play basketball! On the first floor, there are excellent language laboratories as the school places a lot of emphasis on language teaching. There is also a small hall for music lessons.	My school building is not large, but its playground outside is spacious and has a new sports club. On the ground floor, there is the school canteen which is very clean. There is also a teachers' room, some classrooms, and several laboratories. On the ground floor, there is also a reception and toilets.
