

	Statement	Who said it?	Evidence from the text
1	She does not agree with the school uniform		
2	I think the school uniform has more disadvantages than advantages.		
3	He likes its colour and the school logo printed on it		
4	Her school uniform is elegant and neat		
5	All the students in his school look the same in the uniform and this makes their identity disappear.		
6	The idea is very old and boring.		
7	She doesn't have to think about the clothes that she wears every morning.		
8	The uniform makes the student holds on to his identity		
9	Uniform cost more than jeans and a shirt.		
10	The school uniform encourages discipline and good behaviour.		
11	School uniform cost is much cheaper than the cost of branded clothes.		
12	The uniform is not appropriate in winter as the skirt is very short.		
13	The uniform is uncomfortable, the jacket in the summer makes you feel hot.		
14	The tie is ridiculous, especially for girls.		
15	This reduces the difference between rich and poor		
16	The hat is ridiculous and old-fashioned.		
17	Her school uniform does not reflect her personality at all.		
18	It encourages him to have a sense of belonging
