1. Cut out the information boxes and pictures of these schools / universities. Then match them.

1.

	Answers
а	The ceremony involves standing to attention and
	facing the national flag and pledging allegiance to the country.
b	Students recite the national anthem.
С	Some schools have a designated person to raise the flag during the ceremony. This tradition is seen as an
	important way to promote national identity, unity, and respect for the country's symbols.
