

Instructions

- Enlarge the papers to A3 size and print the template.
- Align two pages facing each other.
- On the right, place the photo and the information related the Arab world and, on the left, place the photo and the information related the other country.
- Write the information and comparison about both photos, in Arabic on the right and the English translation on the left.
- Each page should include one cultural fact about the country where the world wonder is, in comparison to where you live now. This can include the weather, the area, the food, the tourist attractions, etc.
- Repeat the steps above until you cover all aspects of the holiday destination you chose.
