Translation

The film tells the story of 'Reda', a professional conman coming from Italy to steal an antique statue. What this conman does not know is that the gang leader 'Alhaj Daw' wants to steal the same statue. The two stars of the film are the famous actors "Muhammad Imam" and "Yasmine Sabry". I advise everyone to watch it, as the standard of the direction is very good, and the film's music is exceptional in my opinion. It is a really funny and exciting film!
