

1. Work with a partner

- Use the sentence builder.
- Memorise as many sentences as you can in **one minute**.
- Say them to your partner and ask him/her to write them in Arabic below.
- Now, it's your partner's turn.
- How many correct sentences did you create?
- Who created the best sentences in the class?

2. Whole class challenge

- Read the words/expressions on the next page to your partner, **twice**.
- Ask him/her to copy them in Arabic below, then work together to match them with their English meaning.
- You have only 3 minutes.
