

Pre task

1. Draw an imagined or real extended family in the box below. Or use a real picture of your family. Try to add as many family members as you can, including cousins.

2. Now, working with a partner, ask and answer questions about the people in the photo, **in Arabic**. Use different question tools, such as:

**Who is this?**

**Where is your ...?**

**When did you ....?**

**Add your own questions.**
