1	Small and doesn't have many modern facilities. (In contrast with her current school)
2	Tables and chairs that are new and comfortable
3	She would equip the classrooms with "Interactive whiteboards" instead of (normal) white boards and enlarge the restaurant to accommodate all students at one time. She will also work hard at building a swimming pool inside the school, instead of students traveling far for training every week.
4	He didn't like the facilities in his school since the very beginning; the washbasins are always dirty, and the toilets are only on the ground floor.
5	He would immediately start building modern bathrooms on every floor. He would encourage planting a lot of trees and flowers in the garden.
6	Yes, as they help students focus on studying and be creative.
7	In the countryside.
8	Spacious classrooms, comfortable furniture, and modern music rooms.
9	She would provide a large sports hall, build a spacious room to teach computer science and buy a special bus for school trips.
