

1. In pairs, **student A** has the translation of sentences **1 to 7**, and **student B** has the translation of sentences **8 to 14**.

For 10 minutes, students take turns where student A challenges student B to translate one of his sentences. He provides student B with feedback and awards points. The higher score wins.

3 points = accurate sentence

2 points = one mistake only

1 point = two or more mistakes

0 points = totally irrelevant
