

Answers	
1	all members of the family should discuss the problems.
2	her cousin (my paternal uncle's daughter).
3	she used to get along well with her mother as both were good swimmers and loved adventure.
4	although her father was not around due to travel and work, he supported her in everything she did.
5	any two of the three answers below: <ul style="list-style-type: none"> • Hanadi's parents separated. • her father lives now in another country. • her mother became focused only on her work.
6	it caused stress in Hanadi's life.
7	although they are very strict on the one hand, they have a lot of patience for Hanadi on the other hand, and they spend a lot of time with her.
8	her grandmother
9	he tried to make Hanadi happy in every way when he visits her.
10	things were not only settled in her life, but also her relationship with her parents improved anew.
